ProgrPowered Quality Inspection Project – AI

AMBALA SNIGDHA REDDY . <ambalasnigdhareddy@klh.edu.in> Wed, Oct 14, 2026 at 8:45 AM Draft To:INJARAPU SANJANA<injarapusanjana@klh.edu.in>

Dear Professor,

I am writing to provide an update on the progress of our AI-Powered Quality Inspection project. We have completed the initial research, identified the major inspection requirements, and prepared a preliminary workflow for detecting defects in pharmaceutical products.

Currently, we are refining the system design, organizing the reference materials, and preparing the project budget. Our work is progressing according to the planned schedule. The next steps involve finalizing the implementation plan and preparing the demonstration materials.

I will keep you informed about further developments and notify you promptly if any challenges arise.

Thank you for your guidance and support.

Sincerely,
Snigdha
B.Tech Student
